Dear Parent/Carer,

As we approach the end of term it continues to be an extremely challenging time and we appreciate the continued impact that Covid is having on all of our lives.

As you may be aware, the Welsh Government announced yesterday that schools will have two days at the start of the new term in January to plan for pupils' return and the possibility of moving to remote learning.

We are absolutely committed to offering the best provision under increasingly difficult circumstances and we recognise how worrying this situation must be for you. These two days will allow us to assess staffing capacity and put the necessary measures in place to support the return of all learners.

The new date for the start of term is now **Thursday 6<sup>th</sup> January 2022** and your child's teacher will contact you prior to this date to explain arrangements.

Can I thank you all for your continued support and understanding and take this opportunity to wish you a very enjoyable Christmas and New Year.

Yours Sincerely,

Paddy Prendergast  
Principal
